In addition to her background in health care management and leadership, Mrs. Moneta is an active member of the community having worked with a number of local charitable and not-for-profit groups. These include serving as a board member with Disabled and Aged Regional Transit Service (DARTs) and the Healthcare Supply Chain Network, as well as volunteering as a neighbourhood canvasser for the Heart and Stroke Foundation of Canada. Mrs. Moneta holds a Masters in Business Administration and Graduate Diploma in Management from Athabasca University and is currently enrolled in the Chartered Director program through the Conference Board of Canada and DeGroot School of Business at McMaster University's Directors College.
